

# VACANCY ANNOUNCEMENT

## Country Director Pakistan

WaterAid is an international organisation whose mission is to transform the lives of the poorest and most marginalised people by improving access to safe water, sanitation and hygiene (WASH).

WaterAid is looking for Country Director (Pakistan) to play a vital role in our mission to make clean water, decent toilets and good hygiene normal for everyone, everywhere by 2030.

The primary purpose of the Country Director (CD) is to provide leadership to the Country Programme (CP) and to contribute to the regional and global leadership of WaterAid. The CD achieves this by steering the direction of the CP, empowering, and developing staff and partners and influencing public and private institutions on the impact that improvements in safe water and improved sanitation and hygiene can make to the poorest and most excluded - therefore contributing to wider poverty reduction and human development.
