

We Are HIRING!

CECOS University invites applications for the following position

Manager Innovation & Commercialization (ORIC)

Minimum Qualification & Experience:

MS/MPhil degree (18 years of Education) in a relevant field. While no prior experience is required, some background in business/industry would be advantageous.

Applicants must submit a merged PDF document containing their CVs, a cover letter, and copies of all educational certificates and experience documents. The content of this document, encompassing educational records and experience certificates, will be considered a determining factor in establishing their compensation.
